

MATERIAL SAFETY DATA SHEET

Section 1		PRODUCT IDENTIFICATION			<i>Groupe Savon Olympic inc</i>
Groupe Savon OLYMPIC Soap Group Inc. 3730, Francis-Hughes Laval (Québec) H7L 5A9 Tel. : (450) 975-7005 Fax : (450) 975-7468		Emergency phone: (24 hours) QUEBEC POISON CONTROL: Quebec: (toll free) (800) 463-5060 CANUTEC: (collect) (613) 996-6666			WHMIS class: Non regulated by the WHMIS
TRADE NAME: INO		Generic name:			
Code : V47130		P.I.N.:	TDG class:	PG :	
Product use: Hands cleaner colour salmon		n/ap	n/ap	n/ap	
Section 2		HAZARDOUS INGREDIENT			<i>Groupe Savon Olympic inc</i>
Chemical name	CAS	Conc. %	CL₅₀(ppm)	DL₅₀(mg/kg)	
N.A.V. = not available		N.A.P. = not applicable			
Section 3		PHYSICAL DATA			<i>Groupe Savon Olympic inc</i>
Appearance: liquid	Colour: salmon	Odour : almond	pH : 6.0 - 7.0		
Boiling point (°C) : n/av		Vapour density (air=1) : n/av			
Melting point (°C) : n/av		Evaporation rate: n/av			
Specific gravity (water=1): 1.035 -1.045		Solubility (water): 100%			
Section 4		FIRE OR EXPLOSION HAZARD			<i>Groupe Savon Olympic inc</i>
Flammability: non flammable		Auto-ignition temperature (°C) : n/ap			
Flash point (°C) and method : n/ap		Flammable limits : n/ap			
Means of extinction:		Use an appropriate way to fight fire.			
Special fire fighting procedures:		Wear full equipment and a respiratory mask.			
Unusual fire and explosion hazards:		none			
Section 5		PREVENTIVE MEASURES			<i>Groupe Savon Olympic inc</i>
Procedure in case of leak or spill:		Pick up the leak and place in an airtight container.			
Waste disposal:		According to federal, provincial and municipal laws.			

MATERIAL SAFETY DATA SHEET

V47130

Section 5 PREVENTIVE MEASURES *Groupe Savon Olympic inc.*

Ventilation :	Local : normal	mechanical : no
<i>Personal protective equip.</i>		
Respiratory :	none	
Eyes :	Goggles, in case of splashing.	
Hands :	Gloves if necessary.	
Others :		
Handling:	Avoid contact with eyes. Wear protective equipment.	
Storage:	Keep container tightly closed. Avoid freezing and excessive heat. Avoid storing with incompatible materials.	

Section 6 REACTIVITY *Groupe Savon Olympic inc.*

Stability :	Stable under normal conditions.
Incompatible substances: (substances to avoid)	Avoid strong oxidizing agents, strong acids.
Hazardous decomposition products:	n/av
Hazardous polymerization:	none

Section 7 TOXICOLOGICAL PROPERTIES *Groupe Savon Olympic inc.*

Acute effects	
EYES:	Brief irritation
SKIN:	Unlikely skin absorbance.
INHALATION:	The low volatility makes the inhalation unlikely.
INGESTION :	May cause nausea and vomiting.
CARCINOGENICITY:	n/av
MUTAGENICITY:	n/av
TERATOGENICITY:	n/av

Section 8 FIRST AID MEASURES *Groupe Savon Olympic inc.*

SKIN:	Rinse the skin with plenty of water.
EYES:	Rinse thoroughly eyes with water and consult a doctor.
INHALATION :	In case of inhalation of vapors, bring the person in an airy place. Consult a doctor
INGESTION :	If swallowed, induce vomiting if the person is conscious. Call a doctor.
NOTES:	

Section 9 PREPARATION INFORMATION *Groupe Savon Olympic inc.*

PREPARED BY:	Groupe SAVON OLYMPIC SOAP GROUP INC.	Tel. : (450) 975-7005
	Date: July 20 th , 2009	Fax. : (450) 975-7468

Revised: August 20th, 2010
