

**NEW!**

# Tongue Depressors

## Superior Quality

AMG MedPro Tongue Depressors offer the exceptional quality medical professionals have come to expect from all MedPro branded products.

## Easy Dispensing

Now available in dispenser boxes for convenient storage and easy dispensing.

## Greater Patient Comfort

AMG MedPro Tongue Depressors feature an ultra smooth finish, helping to make patient examinations more comfortable.

## Variety

Now offered in 2 sizes: junior and senior.

## Simple Eye-Catching Identification

AMG MedPro Tongue Depressors are now offered in attractive packaging with colour coding, which helps to easily identify the two different sizes available: orange for senior and blue for junior.

AMG No.	Description	Format
