Raised Toilet Seat

Makes it easier to get on and off the toilet by adapting to the user's specific needs.

- 3 easy-to-assemble configurations for maximum versatility.
- Molded seat for greater comfort.
- Raises toilet seat height by 4" (10 cm) for easier access and use.
- Attaches securely to most standard and elongated toilets for maximum usability.
- Large opening; 10" x 8½" (25.4 cm x 21.6 cm) for optimal fluid flow and less mess.
- Easy-to-clean polyethylene for easy clean ups.
- Corrosion resistant for increased durability.
- Comfortable, easy-grip foam padded armrests.
- Easy-to-turn adjustment knob.
- 300 lb weight capacity for greater stability.
- Limited lifetime warranty.
- Parts available, because AMG is committed to quality and great customer service.

Use both armrests for more security and support getting up and down.
