

# Urostomy Pouches

## New Image

The New Image urostomy pouch features enhancements to provide comfort and discretion.

- ▶ Enhanced Flow-Control Tap:
  - Softer material and a streamlined shape for improved comfort against the body

- ▶ New Multi-Chamber Design:
  - Multiple built-in chambers designed to facilitate a more balanced collection of urine and a lower pouch profile

- ▶ Improved Adapter:
  - The adapter's new side tab design helps facilitate ease of use when connecting any New Image two-piece urostomy pouch to a bedside drainage collection system
