

SafeBasics™
General Purpose
Non-Woven Sponges

These Safe Basics general purpose sponges are highly absorbent and offer an excellent alternative to cotton gauze sponges.

- Soft, 30 gram weight viscose/poly blend, non-woven material for increased patient comfort.
- No chemical additives to avoid allergic reactions.
- Latex free. Non-sterile.
- Can be used for patients, disinfecting and general cleaning.

Item No.	Description	Unit/Pkg	Pkg/Case
