

Because Sleep Matters

The Facts

- Unique, Soft Resilient Core (SRC) system adds support and resiliency to resist wear, crumbling, and migration of fill
- Stain resistant and antimicrobial-treated for extended pillow use
- Easily wiped clean and disinfected in rooms
- High quality, fluid-proof cover ensures protection against liquid penetration
- Lofty pillow option for residents requiring firm support

Specialty Pillows:

- **Body pillow** helps relieve pressure and strain (used in palliative care and on the contracted muscle areas), and provides additional support, producing overall calmness and comfort
- Economical **positioning pillow** assists with recovery, keeps limbs elevated, and offers additional support
