

## Welch Allyn SureColor LED Technology

### The Welch Allyn LED Difference

With the right balance of color temperature, color appearance (or CRI) and brightness, we've optimized LEDs for EENT instruments, providing the benefits of LED light without changing the view you are proficient at for diagnosis.

- Welch Allyn LED Lamps are rated for up to 20,000 hours of use
- Welch Allyn LED lamps offer true tissue color, clarity and definitions of the ear canal and fundus
- No lamp replacement required
