

TRANQUILITY™
 GLOVES –
 SO SOFT
 AND COMFY,
 YOU'LL FORGET
 YOU'RE WEARING THEM!

Tranquility™ Powder-free White Nitrile Gloves

Go to www.ShowUsYourGloves.com today to enter the new Microflex Comfort Contest! Send us a picture of you wearing Microflex® gloves. No purchase necessary. See web site for details.

You wear gloves all day long, so they should be comfortable. Made from a stretchy white nitrile, Tranquility™ gloves are so soft and relaxing you might have to remind yourself to take them off before you start texting!

Caution: Components used in making these gloves may cause allergic reactions in some users. Follow your institution's policies for use. **NON-LATEX.**
 U.S. Patent No. 6,451,893, U.S. Patent No. 7,176,260

TRANQUILITY™ GLOVES – SO SOFT AND COMFY, YOU'LL FORGET YOU'RE WEARING THEM!

TRANQUILITY™ | POWDER-FREE WHITE NITRILE GLOVES

The Perfect Balance of Comfort and Protection!

Tranquility™ gloves are made from stretchy white nitrile, 100% latex-free. With a relaxing fit and soft feel to reduce hand fatigue, they are extremely comfortable for everyday use, relaxing your hands when gloves are worn all day. At a value price, Tranquility™ gloves are fast becoming the glove of choice for many dental professionals.

- Soft and comfortable for everyday use – reduces hand fatigue
- A great alternative to latex, containing no natural rubber proteins
- Textured fingertips improve handling small instruments
- Great value – spend less for a superior glove

Recommended for use in:

- Dental
- Healthcare
- Industrial Safety
- Laboratory
